Satellite  
Tracking  
Aims  
Here

Place your hand FIRMLY on the top-back part of your head and hold it for one minute.

You will begin to feel “pops” and pulses in your knuckles. There will be “tingling” on the top of your hand.

- The US Air Force Space Command operates the satellites from Schriever Air Force Base.
  - The CIA in Denver provides the funding.
  - Satellite tracking frequencies are 3600 – 3750 MHz. The microwaves cause brain damage.
  - President Trump and Congress DO NOT KNOW about it !!
- 
- 2 FBI Agents provided Sworn Affidavits stating that the program is real.
  - Many Medical Doctors know - Dr John R. Hall, MD; Dr Daniel Lebowitz, MD; Dr Beatrice Golomb, MD & others
