Place your hand FIRMLY on the top-back part of your head and hold it for one minute.

You will begin to feel the "pops" and pulses on your knuckles. The top of your hand will begin to "tingle."

- The President of the United States and Congress DO NOT KNOW about it !!

Every cell tower within 2 miles is also hitting your head with microwave pulses. You can feel it by holding up your hand, towards a cell tower. The GPS coordinates are sent to Schriever Air Force Base. Satellite frequencies are 3600 – 3750 MHz. The microwaves cause brain damage.
